“WORLD ENVIRONMENT DAY”

DATE- 05/06/2021

TIME-09:00-11:00AM

VENUE-OPD,NMMCHOSPITAL,VASHI

On the occasion of World Environment Day, Third year department of TPCTs Terna Nursing College organized Rangoli competition on the theme of

“Ecosystem Restoration”

Students actively participate in the competition and prepared rangoli based on “Reimagine, Recreate, Restore” the Earth. Rangoli were used to show the importance of ecosystem restoration in world.

Charts were displayed to show the importance of the environment.

Patients and their relatives eagerly attended the exhibition and listened to the explanations. The doctors and staff of NMMC hospital supported us and gave their full co-operation to make this event a successful one
